## REDEVELOPMENT PROJECT

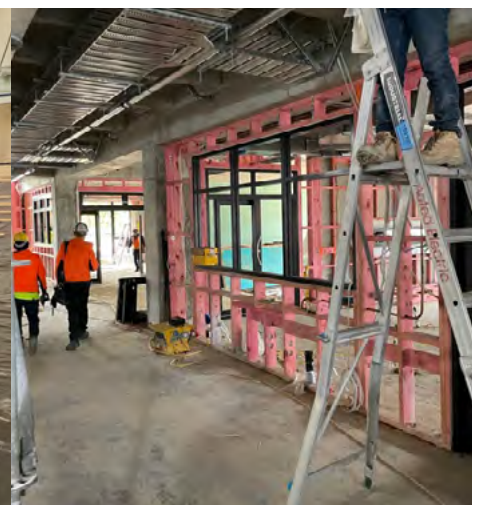

The redevelopment project is back in full swing under Alert Level 3. While our development partners have been working hard throughout the lock-down to minimise disruption, unfortunately the lockdown will mean that the completion dates are pushed out slightly.

**Gym** - due for completion mid November

**Classroom Block** - due for completion mid February

Since returning big progress has been made on the gym, with the power and lights going on, and as of this week the floor is being laid, ready for line marking and finishing. The Classroom block is almost enclosed, with most of the internal framing and first fix of services complete.

Development Partners:

# FROM THE PRINCIPAL

Ngā mihi nui kia koutou katoa | Very warm wishes to you all

As I write, we have just completed another unique term, with students learning in their normal school routine for the first 3 ½ weeks, and from home for the latter 6 ½ weeks. Wow! I have written to all students, parents and staff, to say thank you | ngā mihi nui. No one would suggest this time is easy, and you all deserve acknowledgement for your part in making this work as well as possible. We will continue to do what we can, to ensure that students are supported to achieve their goals this year. Some things are happening in a different order, or a little slower – that is AOK and we will get there - he waka eke noa | we're all in this together.

## STUDENT ACHIEVEMENT

- We have enjoyed and appreciated the adaptability, collaboration and engagement of students through this term. Students have shown Loyalty and Courage in their care of themselves, each other and their families. The final week of term was Mental Health Awareness Week. This year's focus of Mā te kōrero, ka ora | take time to kōrero, was especially meaningful and timely for us all. I hope you are able to continue taking the time to chat and connect.
- Students have shown Loyalty and Courage in progressing their learning. This term our newsletter includes examples of creative, quality student work that has been produced during this time. It is inspiring.
- Congratulations to our senior Drama students for their superb production "Second Glance" which was performed at the end of last term. It was a thoroughly enjoyable look at life, misconceptions and diversity.
- The School Ball in the Term Two break was outstanding, a thoroughly enjoyable occasion, thank you to Year 13 Dean **Sofia Kaur**, the ball committee and everyone involved.
- Three-way conversations were held in early August. These are always a wonderful way to connect the support of whānau and school around students, who lead the conversations. Thank you to everyone who participated, we held these just in time!
- **Jordan Sisitoutai 13KA** was one of 20 students nationwide selected to participate in the Bizventure Japan Challenge.
- **Olivia Bush 12CW** was Onehunga High's delegate at the national Student Commonwealth Heads of Government Meeting (CHOGM), representing the Bahamas.

## FORMER STUDENT ACHIEVEMENT

- **Ben Tuimaseve** produced an Oceania record of 13.31m and placed ninth in the men's shot put F37 final at the Tokyo 2020 Paralympic Games. Before departing for the games, Ben was proactive about learning more about Japanese language and culture with one of our Community Education tutors. Ben's attitude shines through in all he undertakes, including the fact that this first Paralympic Games will not be his last, with his clear statement "I'm coming back."
- Five former students are currently in international rugby teams:
  - **Ben Tou** plays for the Cook Islands
  - **Stacey Ili** for Samoa
  - **Jordan Fonokalafi**, **Kali Hala** and **Taniela Matakaiongo** all play for Tonga.
- The August Onehunga Community News <https://onehunga.co.nz/e-mags/> features **Vanisi Prescott's** inspiring journey, **Sa'uma Walpole's** successes, and the Māngere Mountain Education Centre and manager **Fraser Alaalatoa-Dale**.
- **Anahila Kanongata'a-Suisuiki** and **Sosepa Hausia-Schaumkel** provided six fortunate Year 13 student leaders and two members of staff with a personally hosted and inspiring trip to parliament.
- The First Foundation's 2020 Annual Report <https://firstfoundation.org.nz/first-foundations-2020-annual-report/> features **Susana Vunipola**. Susana has recently resigned from our Board of Trustees to pursue further study.

## CHANGES TO NCEA FOR STUDENTS IN AUCKLAND

Learning Recognition Credits (LRCs) will be applied to all students in Auckland, exactly as last year, because Auckland students have again lost so much face-to-face learning time. 1 LRC is earned for every 4 credits achieved by Auckland students in 2021. As for last year:

- Students need 12 credits at Achieved, Merit or Excellence in a course (instead of 14) to earn a course endorsement. They still need to achieve at least 3 credits in externals and 3 in internals.
- Students need 44 credits (instead of 46) to earn Merit or Excellence certificate endorsements.
- University Entrance is now awarded to students who achieve 12 credits (instead of 14) in each of 3 UE approved subjects. Students still need to achieve literacy, numeracy and NCEA Level 3.

Further support will be available under Alert Level 2/1 through tutorials after school Monday – Thursday, timetabled classes continuing through the first week of external exam time, and extra Summer School places at Te Aho o Te Kura Pounamu (the Correspondence School).

## OPEN DAY AND ENROLMENTS

The second of our Open Days combined 2022 enrolment information, course selection information for current students and whānau as well as construction site visits, food, coffee and sports games. Current and prospective families mixed with neighbours and staff, to talk about what the school offers. Applications for out-of-zone enrolments closed on 1 September.

## BUILDING PROJECT

Work has begun again in earnest under Alert Level 3. While the buildings will be delivered a little later than previously planned, progress is evident and we look forward to sharing our new facilities with you in the not too distant future.

# FROM THE PRINCIPAL

## YEAR 9 PROGRAMME IN 2022

To better engage and extend students, we are including electives as timetabled classes which will give Year 9 students greater opportunity to pursue study aligned with their interests and gifts. Our plan has come about following feedback from students, staff and parents, and is grounded in national and international research. We asked students "What would you like to be learning?" and we asked parents/guardians "What would you like your child/ren to be learning?" Thank you to all those who provided feedback, your responses support this initiative, which we are excited to offer. Together with English, Mathematics, Physical Education and Health, Science, Social Studies and a language, Year 9 students will choose an Arts elective, a Technology elective, and any two others.

## ADULT AND COMMUNITY EDUCATION

Free online classes have been offered to our communities from the first day of Alert Level 4 and have continued through Alert Level 3. The various exercise and language classes have been complemented by music classes and a class in how to retire with confidence. Feedback has been very positive. I have smiled at the encouragement for bootcamp participants to feel free to leave their cameras off!

## NCEA CHANGE PROGRAMME

Following wide consultation, an expansion of the range of NCEA subjects available for students across the New Zealand Curriculum Levels 2 and 3, and Te Marautanga o Aotearoa Levels 1 to 3, has been confirmed. The revised subject list has a total of 67 subjects:

- 56 subjects from The New Zealand Curriculum
- 11 subjects from Te Marautanga o Aotearoa

These subject changes support parity for mātauranga Māori, provide opportunities for greater specialisation at Levels 2 and 3, and provide clearer pathways to further education, training, and employment for all students.

## DISTINGUISHED ALUMNI 2021

We have again postponed our Distinguished Alumni celebration, likely now to become Distinguished Alumni 2022. It will be a delightful acknowledgement and celebration when we get there!

## ACKNOWLEDGEMENTS

We thank and farewell **Vijay Lal**, **Tirama Bramley** and **Fleur Greenwell** for their contribution to our students and our school. We wish them happiness and fulfilment in their next steps.

## BEACHCROFT AVENUE AND ARTHUR STREET PEDESTRIAN UPGRADE

- Requests from the local community, including Onehunga High School, to address problems with high vehicle speeds and a lack of safe pedestrian crossings has resulted in a proposed upgrade to be undertaken in the 2021/22 financial year. There will be a speed table and zebra crossing constructed on Beachcroft Avenue just towards Onehunga township from the intersection with Arthur Street <https://at.govt.nz/about-us/have-your-say/central-auckland-consultations/beachcroft-avenue-and-arthur-street-onehunga-pedestrian-upgrade/>.
- AT is about to begin a phased programme of work to investigate speeds around all 600 schools in Tāmaki Makaurau, as part of the Safe Speeds Programme. Each school will be investigated on a case-by-case basis by road safety engineers. Further information about the programme is at [at.govt.nz/speed](https://at.govt.nz/speed).

## STAY SAFE

We wish everyone a safe Term Three break and sincerely hope we are able to welcome all students back on site on Monday 18 October for the final term of 2021.

Kai haumarū, kia atawhai | stay safe, be kind.

Noho ora mai

Deidre Shea

Tumuaki | Principal

# SUPPORTING THE REDEVELOPMENT

As we have been planning our new buildings, there are several special items that we would like to include in the redevelopment that fall outside of the normal Ministry of Education or school funding streams. These items will support making the redevelopment and facilities the highest quality possible for students and staff to learn in.

We would like to acknowledge those people who have generously donated towards the funding of these items. If you would like more information about supporting the redevelopment project it can be found at the following link.

# ADULT EDUCATION

What a wonderful term we have had in adult education; albeit during such difficult lockdown times.

Although our classrooms on the school site were closed we were able to initiate a new online programme of courses from virtual classrooms. Tutors and students were keen to be involved, as they were last year during lockdown. Currently we have had 1628 adult learners enrol in 29 courses delivered on a digital platform. The success of the programme allowed us to roll out four sets of online learning opportunities ranging from business, to language and exercise classes. Thanks to all involved for their support of these courses.

In term four we will once again be offering a full range of courses on the school site. We will also be completing the term three classes

that started, but unfortunately were unable to be completed during August and September. We are anticipating at this stage that some free online courses will continue. This will ensure that our learners have a range of learning opportunities and experiences.

Our 2022 brochure is almost completed and will be available from the school office early in term four or you can visit our website [www.adultlearn.co.nz](http://www.adultlearn.co.nz) for a comprehensive list of programmes and courses offered. Keep an eye out for a number of new and exciting classes. Please remember that online enrolment is available at a discounted rate.

Term four classes start on Tuesday 26 October.

You can contact us on [comed@ohs.school](mailto:comed@ohs.school) or 6369060 to enrol over the telephone or for further information.

# LANGUAGES

Kia ora koutou, Talofa lava, Mālō e lelei, 大家好! Despite the lockdown and not physically being at school, we had a busy term celebrating four language weeks online!

In week 7, we celebrated Tongan Language Week-Uike Kātoanga'i 'o e lea faka-Tonga. This year's theme is 'Fakakoloa 'o Aotearoa 'aki 'a e Ako Lelei', which means enriching Aotearoa with holistic education. In week 8, we celebrated Māori Language Week-Te Wiki o te Reo Māori. Many students and staff took part in the Māori Language Moment with the rest of Aotearoa on 14th September at 12.00pm. In week 10, the last week of the term, we celebrated two language weeks- Tuvalu Language Week and Chinese Language Week.

Through these language weeks, we have not only learnt about different languages and

cultures, but also had a chance to appreciate the diversity of our school and our community. We want to thank all the staff and students who supported and participated in the language week events and activities, especially the teachers who organized the language weeks, the students from the cultural council and the prefects. A big thank you and we wish everyone a wonderful school holiday!

# SCIENCE

Year 9 Science students finished the term by entering in the Active to School Challenge. This opportunity in partnership with Auckland Transport, asks students to design digital content that can be shared to encourage young people to consider choosing active transport to school (such as walking, biking or taking the bus). Prizes will be awarded for the best content produced thanks to the generous support of Auckland Transport.

[Active To School Presentation](#)

## PACIFIC ISLAND LEADERS OF TOMORROW (PILOT) DAY

5 of our Yr 11 students represented OHS with great LAC at the recent PILOT day at Massey University. They were inspired to plan for their future directions and develop confidence in their leadership skills by listening to inspiring speakers and engaging with like-minded

peers from other schools. Kheziah Tema summarised the feedback of the group "we had the best day learning so much about the pathways out there for students....and the food was great!" Congratulations too to Christian Ioramo for winning a prize and offering to thank the organisers on behalf of everyone.

## NETWORKING AT THE TRADE SPEEDMEETS EVENT

6 of our students were able to attend the recent 'Got a Trade SpeedMeet' event, which looks to bring together students and employers – speed-dating style! It was a great opportunity for senior students looking for work to discover all the exciting careers available in the trades and services industries. Students rotated from employer to employer for six-minute mini-interviews. At the end of the SpeedMeet event, outcomes are

collated and if there are matches, contact details are exchanged by email. The students had prepared strong CVs and practised interview skills prior to attending and represented themselves impressively. Haka Sioneseni, one of the enthusiastic participants, commented "The event was awesome and there are so many different directions I could go in. It really helped me to know what is out there for me and make connections."

## STUDENTS PLAN THEIR FUTURE STUDY

Liaison staff from The University of Auckland, AUT, MIT, Unitec, Te Herenga Waka Victoria University of Wellington, and the University of Otago all visited us again early in term 3 to help students plan for next year. Our students were supported by these

representatives to plan their degree courses, understand the application process and other new experiences, such as applying for accommodation and scholarships. Students were excited to learn about the diverse range of opportunities that await them in 2022.

## CLUSTERS OF STUDENTS EXPLORE CAREERS COLLABORATIVELY

Our Year 13s have been preparing well for their journey ahead by researching to ensure their decisions are informed ones. They have been exploring possibilities in collaboration with students who have similar interests, for example, there is a group passionate about the creative industries of architecture and industrial design. We visited the Industrial Design school and Architecture school at AUT and had the opportunity to chat with a variety of lecturers. We invited the Head of Architecture at Unitec in as a guest speaker, and he gave an inspiring presentation about

the future of Architecture and the importance of people seeing their cultures reflected in their built environment. He also discussed how to prepare a competitive portfolio. A further speaker discussed the growth of landscape architecture, and the opportunities this specialty presents. Unfortunately our visit to a Spatial Design Agency scheduled for September was unable to happen, but this group has continued to be proactive during the lockdown, and taken advantage of online opportunities.

## VISITING MATAAHO TO RESEARCH TRADES POSSIBILITIES

Early Term 3, 28 students interested in researching careers in the trades visited Mataaho, Unitec's trades training facility. During the tour, they were able to learn about the pre-apprenticeship programmes on offer, in everything from automotive electronic engineering to plumbing to carpentry. Our students were certainly enthusiastic about the facilities of Mataaho as it is home to some of the best trade-related tech in the

country - and they were equally impressed to hear about the earning potential of some recent graduates! A number of the students were inspired to apply for scholarships and programmes at Mataaho and Techpark for 2022.

# REDEVELOPMENT PROJECT

## NAYLOR LOVE VISITS

Our students have been able to observe the many different occupations involved in a large scale construction project first hand as they watch the school's rebuild each day. Naylor Love subcontractors generously came in as guest speakers, sharing their experience and insights about their own careers and the range of opportunities in

the construction sector. As well as hearing first hand from plumbers and electricians about the job functions, skills and qualities needed, they reinforced the importance of a great work ethic and having a full manual drivers licence. People from industry training organisations also came in to talk with students about how to get an apprenticeship and go on to gain internationally recognised qualifications.

## CATERING AND HOSPITALITY

During lockdown our Head of Catering and Hospitality, Ryan Thom, set a challenge for staff and students to create the best fakeaways - the winners were:

### STUDENTS

1st  
TYLA PAEGOTAU 12AL  
KFC

2nd  
ISAAC NAIR 13BN  
Beef Birria Tacos

3rd  
DYLAN CHANDRA 10BH  
Burgers

### STAFF

1st  
ALEX EASTWOOD  
Burger Fuel

2nd  
KIM MERCER  
Cafe-style pancakes and coffee

3rd  
JULITA HOOKER  
Ramen with homemade dumplings

# PHYSICAL EDUCATION & HEALTH

## TORPEDO 7 GET2GO CHALLENGE

The Torpedo 7 Get2Go challenge is an entry level adventure race that 16 of the Year 10 sports leadership students were fortunate to participate in. The race started off at Western Springs, where students were able to test their mountain biking and orienteering skills. The courses were muddy and the students enjoyed getting stuck in and were great at

supporting one another when the going got tough. The last activity of the day, saw the students participate in problem solving and stand up paddle boarding, down at the Onehunga Bay. The teams outsmarted the other schools in the problem solving challenge, by using their great team work and communication. Overall it was an excellent

day and the students had lots of fun testing their different abilities. One of the Onehunga teams did so well that they placed 4th in the mixed teams division. Congratulations to both teams for your great attitude and LAC that you displayed on the day.

## TOUGH GUY AND GAL CHALLENGE

The Level 3 physical education classes and L2/3 building and construction physical education class participated in the Tough Guy and Gal challenge this term. This mud run was 6km through mud and farmland and involved students jumping over fences, sliding down man made mud slides and navigating their way under an electric fence. Students pushed each other and were really supportive of their class mates, showing lots of LAC. Mud ball fights and mud wrestling were all highlights of the students' day. The students had an amazing day and it was safe to say, they all needed hot showers at the end

of the race. Big congratulations to William Rissetto and Kemen Zulaika Nillesen who were the first runners back for Onehunga, along with Mr Coombes who was the 1st teacher back. We are looking forward to attending this event next year.

This term, the EnviroClub continued the habit of meeting on Monday during Break 2, even when meetings moved virtual during Levels 3 and 4. During one virtual gathering, students had the opportunity to hear from past OHS student Celia Chan who now works as a community low carbon specialist at Auckland Council.

In the earlier part of this term, students in the Enviroclub were busy setting up a

paper recycling trial in the school: Poster designed by Anusha Maharaj

Once we moved into Level 4, students pivoted and worked towards providing information to allow students to consider choosing reusable masks as an alternative to disposable ones. Once we return to school, students will be able to purchase reusable masks from the uniform shop for \$10.

## ENVIROCLUB

## TERM 3

Director of Sports Review

2021 has been a good year for OHS sport. Despite the obvious challenges, our teams have been chasing trophies and titles along with our continued focus on developing our junior programme. Our focus is always on giving our students the best sporting experience in order to succeed and enjoy sport in the long term.

2021 has seen a great step forward for many of our codes with a great bunch of year 9's and 10's coming into the sports programme with energy and enthusiasm. This is partly down to the hard work being done within the J.E.T.S programme. This year we have been very competitive and proud of our students attitudes to do their best to get results that they deserve.

Well done to our Boys' 1st XV Rugby team who were a good chance to make the top 4 in Auckland 1B before the season was abandoned. They enjoyed a great season showing true Loyalty and Courage and bringing pride to the OHS jersey.

The football boys had their best season in many years finishing 3rd in A4 only 2 points off top position. With a first up victory in the top 4 play-off, the team were sitting in a strong position for promotion before the season was cancelled.

It is great to see cricket back and developing well at OHS with our boys and girls playing this summer. The junior boys' team finished their first round in top place.

We are always keen to develop sport at OHS and to push our students to get involved in any way to improve their health and well-being. I would like to congratulate and thank all our staff, students and members of the community who have been involved in sport this year. We have come a long way and have learnt many lessons that will continue to guide us moving forward.

Chad Coombes

## JETS 2021 GOLF DAY POSTPONED

JETS Golf Fundraiser Thursday 7th October has had to be cancelled for 2021 due to Covid Alert Level 4 and 3. The fundraiser will now be held on 29th April 2022. Please see details below:

[GOLF DAY REGISTRATION FORM](#)

This fundraiser is to help support our J.E.T.S - Junior Emerging Talent Squads.

This program has a clear focus on developing our year 9 and 10 athletes by giving them top coaching and athlete development so we can promote and develop within Onehunga High School to build our sporting program.

Event Timing: FRIDAY 29TH APRIL, 2022

Registration: 11.30am

Rules: 12:00pm (midday)

Tee Off Time: 12.30pm

Event Address: Maungakiekie Golf Club, 5 Anita Ave, Mount Roskill, Auckland 10415

Contact: Chad Coombes - 0272462448

Rogie Flores  
Rose Levasa  
Ryan Bosson  
Sam Fagan  
Samontae Dickey  
Sanjarna Godigamuwa  
Silva Maama  
Soteria Gaogao  
Tasmin Walsh  
Taylor Smith  
Tepa Mata

Teresa Zhang  
Tiana Poutai  
Trey Gordon  
Tu'a Pulupaki  
Tulivae Falesii  
Ushield Raj  
Will Harris  
Zaviya Mohelika  
Zoe Wahrlich  
Zsyon Folau-Koloni

## YEAR 12

Aaron Narayen  
Alistair Faid  
Amarissa Havili  
Anaseini Manu  
Anusha Maharaj ,  
Autumn Tahana  
Azariah Williams  
Breeana Taurira-Ngaata  
Brian Huang  
Briana Insley  
Byron Glennon  
Caleb Edmunds  
Camryn Lowe  
Casey Veamatahau  
Christina Elone  
Daniel Flanagan Brown  
Dana Gasic  
Darian Shaw  
Elma Mujkanovic  
Evan Taylor  
Frankie Creagh-Leslie  
Gabriela Sawaya  
Gayle Laki  
Hikaru Goda  
Holly Andrew  
Holly Elphick  
Jacky Siharath  
Jahneva Lui  
Jasmine Son  
John Tuitavake  
Karlin Nassau  
Katana Taripo Stowers  
Keith Togiafofoa  
Ketoni Taufahema  
Khya Stowers  
Laila Fakalata  
Lexus Singh  
Lillian Mailisi-Tofaeono  
Linda Uasi  
Lisa Finau  
Litanía Langi  
Luquerah Itamua  
Madeleine Mair  
Michael Vaeagi  
Michelle Ukhampfan  
Moana Tuwhangai  
Nate Van Dolleweerd  
Natnaree Thammaachataree  
Naua Ofanoa  
Nellie-Eva Sifaheone  
Noah Newby  
Nu Phan Huynh  
Odeci Sane  
Olivia Bush  
Paige Mitchell  
Paris Thompson  
Patricia Toala  
Pauline Sionepeni-Fifita  
Pearl Fitu  
Phillip Puhotau  
Preston Tokuduadua  
Rakei Ngutu  
Ronald Cousins  
Sauliepo Falesii  
Shaleece Tuilaepa,  
Simone Tuitupou  
Sione Havili

Sophie Roberts  
Tamsyn Laird  
Taylah Kake  
Te Rino Ngawhika  
Timena Veni Moenoa  
Tyla Paegotau  
William Maloney

## YEAR 13

Acura Chukau  
Agape Kaho  
Akesa Teulilo  
Alisha Chand  
Aloma Lancaster  
Anajane Taukolo  
Angel Mae Galera  
Anita Raman  
Bernard Pome'e  
Brendan Loo  
Connor Taole-Tuatagaloa  
Daisy Fuavao  
Daley Wilson  
Earielle Cabilogan  
Eloise Unidad  
Eloius Unidad  
Faith Fineanganofa  
Fatima Tariq  
Gabriella Manu  
Grace Time  
Haka Sionesini  
Hannah Clague  
Heta-G Komene  
Ilynah Itamua  
Isaac Nair  
Isitolo Taliai  
Jadah Punoua Raki  
Jatima Uluave  
Josiah Aliimalemanu  
Josling Fa'afo  
Kalesita Tu'ungafasi  
Keta Tutu'u  
Kristin Williams  
Lebam Tata  
Logan Pilkington  
Lovely Tupou  
Lovianna Fanene  
Luis Rozas  
Maia Potini Bowen  
Maizy Tu'ungafasi  
Manish Naidu  
Matuata Fifita  
Meliame Veni  
Moisha Buksh  
Nataniel Tema  
Nathaniel Pesamino  
Nisha Murugan  
Nissi Aleni  
Noah Harris  
Paige Campbell  
Pakeeza Ali  
Repeka Leavai  
Romayor Tupou  
Roneel Prasad  
Sei-K Kapukava  
Shane Chand  
Sharleene Buenaventura  
Sharni Dreadon Bell  
Shimran Ram  
Sol Judicpa  
Tanvir Singh  
Tevita Fe'iloakitohi  
Theresa Faifo  
Trishaly Pillay  
Valeti Naeata Faamasa  
Vanessa Ly  
Vanessa Tafili-Tamepo

# TERM FOUR 2021

18 Oct - 16 Dec

## WEEK ONE

18 Oct  
22 Oct

Start of Term 4
