REDEVELOPMENT PROJECT

BUILDING IS ON TRACK

Construction of our new Buildings is continuing with the foundations all complete now on both the gymnasium and classroom block. Recent weeks have seen the structure of both buildings move ahead quite quickly. (Check out the pictures later in the newsletter)

Upcoming work:
Ground floor and second level floor slabs completed
Steel work to support the roof erected
Roofing and cladding for the gymnasium started

We are hoping to hold an open day for the community to come and have a close up look at the construction progress early in Term 2. We will advertise the date on our website once the date has been decided.

You are able to keep up with progress (including timelapse footage and 3D walkthroughs of the finished buildings) at <https://my.ohs.school.nz/ohs-redevelopment-project/>

FROM THE PRINCIPAL

Tēnā koutou katoa

You will receive this newsletter during or just after Polyfest; we will provide an overview of this amazing celebration next term. We are very proud of everyone involved, and thank you all for your support.

We had a wonderful start to the 2021 school year, with the successful 2020 Year 9 Orientation Week adapted and extended across the whole school. O Week incorporated activities developing themes of whakawhanaungatanga, academic mentoring, resilience, making choices, realising potential and setting goals. The week finished with sports activities and collaboratively exploring key values to design an OHS mural.

Thank you to students, staff and whanau, again, for being so supportive in your responses to the two occasions of COVID-19 Alert Level 3, earlier this term. Both came as a surprise, as they do, and although unsettling, last year's experiences meant that online capabilities came into play relatively seamlessly for most. Students without access to a device were identified and plans made to address this.

STUDENT ACHIEVEMENT

Our student leaders have begun the year magnificently. Peer support leaders are to be acknowledged especially for their support of Year 9 students. Prefects are leading the student councils effectively, and are working constructively together as a leadership team. The 2021 Prefect Team is:

Hinemoa Nathan and Dallyn Tafiti	Head Students
Josiah Aliimalemanu	Sustainability Council
Paige Campbell	Academic Council
Acura Chukau	Cultural Council
Teresa Feaomoengalu	Sports Council
Matuata Fifita	Hauora Council
Daisy Fuavao	Sustainability Council
Vanessa Ly	Academic Council
Gabriella Manu	Arts Council
Isaac Nair	Community Council
Maia Potini-Bowen	Arts Council
Benji Sanisitou	Cultural Council
Jakyb-Jnr Sowerby	Hauora Council
Lebamanoi Tatā	Sports Council
Angel Tautaiolefua	Community Council

ASB POLYFEST 2021

Our seven groups have coped well with the later notice and timing of Polyfest, and the requirement to have a digital performance prepared ahead of time. Participation in Polyfest is an enormous undertaking and we offer a huge THANK YOU to students, whānau, staff and wider community members who are supporting our involvement. We are enormously grateful to the tutors for giving so much of their time and expertise. Each group is performing separately, as well as at Polyfest Wednesday 14 – Saturday 17 April. This year, the following groups are participating:

- Māori
 - Chinese
 - Cook Islands
 - Indian
 - Niuean
 - Samoan
 - Tongan.
-
- Maya Edmunds and Reuben Smith have each been awarded a 2020 New Zealand Scholarship in English, Alison Lovatt a New Zealand Scholarship in History, and Mai Nguyen a New Zealand Scholarship in Photography.
 - Daisy Fuavao 13Lu has been accepted for the Blake Inspire NZ Leadership Programme 19-23 April <https://www.blakenz.org/programmes/blake-inspire/>. Daisy has also been awarded a Jack Swindells Scholarship, which provides \$2000 for Year 13 school related expenses
 - Athletics Day on 11 March at Mt Smart Stadium was again a successful occasion.
 - At the Central Zone Athletics competition, Denayla Tavui 10Az placed third in the Junior Girls' Shotput and Josias Manukeu 12So placed third in the Intermediate Boys' Shot Put and fourth in the Discus. Denayla and Josias, together with Eva White 12Cw in Long Jump, qualified for the Auckland Athletics Championships.
 - Jaanvi Lingam 10Sm, Javier Couper 11Wt and Georgia Hay 11Wt have been selected for the Auckland Council's Young Leaders Sustainability Programme, Manukau Harbour wānanga 21-23 April.
 - Jasmine Swords 9CE is one of 12 young people accepted to attend the 2021 Bird Youth Camp in Hawkes Bay in the upcoming school term break: <https://www.birdsnz.org.nz/news/2021-birds-nz-youth-camp-hawkes-bay/>

FORMER STUDENT ACHIEVEMENT

- Since the end of the 2020 school year, Maya Edmunds has received two further scholarships – a University of Auckland Faculty of Arts Scholarship and a Ralph and Eve Seelye Scholarship. Reuben Smith has also been awarded a Faculty of Arts Scholarship.

STAFF ACHIEVEMENT

- Deputy Principal Murray Saunders has been awarded his Masters of Secondary School Leadership with Distinction from Victoria University.
- Deputy Principal Talia McNaughton has been accepted for doctoral study at the University of Auckland, studying concurrently with her role as a senior leader.
- Guidance Counsellor Georgia Scapens received a Teacher Education Excellence Award from Victoria University.
- Careers Advisor Kristin Shaw has been successful in her application to the Auckland Business Chamber for 65 Onehunga High School students to do their learners, restricted or full driver license. This outstanding opportunity has made a significant difference to students in previous years and will do so again this year.

CHARTER AND ANNUAL PLAN

Our achievement targets for 2021 include achieving at respective curriculum, NCEA and University Entrance levels, as well as students continuing to aim for quality achievement. The charter is available at <https://www.onehungahigh.school.nz/assets/OHS%20Charter%202021-2023.pdf>

REDEVELOPMENT PROJECT

Despite the two Alert Level 3 episodes, our redevelopment project is progressing according to schedule. We are continuing to update our website with time lapse photos of progress to date, and fly throughs of the two new blocks: <https://my.ohs.school.nz/ohs-redevelopment-project/>.

It is timely to offer a sincere acknowledgement to students and staff, for your forbearance during this period of construction. The challenges this year of course, are limited space and no gym on campus. We are grateful to both Marcellin College and Royal Oak Intermediate, with both schools generously enabling us to use their facilities when possible. Our PE and sports students and staff also continue to be generous in spirit, and everyone is approaching the condensed school footprint with a graciousness that is not taken for granted. The consistent progress of the build boosts morale, and we can all see that our short term challenges will soon be rewarded with wonderful new facilities!

KA ORA, KA AKO HEALTHY LUNCHES IN SCHOOLS

We are excited to confirm that the Lunches in Schools programme has been extended until the end of 2023. We are currently working with the Hauora Council to determine supplier/s for Terms Two, Three and Four this year. We are especially grateful to the Ministry of Education, students, whānau, staff and Board of Trustees for ongoing support, to ensure the success of this initiative.

HEALTH SCIENCE ACADEMY FONONO

Former students Ola Vaka, Mabel Tata and Emma Tuavae, together with Dr Barbara Lipert, were guest speakers at the fono on 18 March. Their various experiences studying and working in health science related fields was appreciated by students, families and staff present.

TE ITI KAHURANGI KĀHUI AKO

Students, staff and whānau from several schools in our Kāhui Ako are continuing our collaboration with Sustainable Coastlines. You can check out some of the latest work through the video https://drive.google.com/file/d/1ngop-zRfJfWxbUuzdzml7W_XJs9vBVrZ/view?usp=sharing.

UNIFORM

Our uniform policy has been clarified with regard to shirts and socks, to state:
Onehunga High School grey shorts worn with Onehunga High School grey shirt and Onehunga High School long grey socks with green band OR Onehunga High School grey shorts worn with Onehunga High School short sleeved white shirt with bottle green trim and plain white ankle socks. The entire policy is on our website at <https://www.onehungahigh.school.nz/our-school/uniform/>.

SCHOOL BALL

Our school ball is booked for Tuesday 13 July, in the first week of the second term break.

ACKNOWLEDGEMENT

Kay Moore joined the staff of Onehunga High School in 1997. She has been a Dean for more than 20 years, and has led numerous groups and programmes, including Year 10 Active Lifestyles trips to Rangitoto every year for the last 19 years.

Kay's office has always been adorned with quotes, such as "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel". We thank Kay for her contribution to many students, staff and families, and wish her well on this next chapter in her life adventure.

We wish you all a safe and enjoyable Term One break, and look forward to seeing all students at the beginning of Term Two on Monday 3 May.

He waka eke noa. Kia kaha koutou.
Deidre Shea
Principal

ADULT EDUCATION

There has been a huge uptake of learners wishing to attend classes this year and we are delighted with the government commitment last year to extending the reach of these classes to more communities. Enrol early to secure your place in class for our Term Two programme which starts on Tuesday 18 May.

Our 2021 brochure is available from the school office or you can visit our website www.adultlearn.co.nz for a comprehensive list of programmes and courses offered next year. On-line enrolment is available at a discounted rate.

You can also contact us on comed@ohs.school or 09 636 9060 to enroll over the telephone or for further information.

GATEWAY

Gateway is underway and students are now preparing to start their work placements. To date, there have been two First Aid courses and a Health and Safety course to assist students for work placement.

Students are currently doing assessments to support their choice of career and have shown interest in a variety of career pathways ranging

from retail, where they will go to work in a range of retail stores; kitchen design; carpentry with a work placement involving renovating former state houses, and logistics where students gain experience with major logistic companies.

PACIFIC ISLAND LEADERS OF TOMORROW

The Pacific Island Leaders of Tomorrow programme (PILOT) is an inspiring event that a group of our Year 13 students recently attended. Exploring the theme "Our ancestors were once PILOTS of the ocean", students began by reflecting on how the ocean was their ancestors' waterway to each other, and their route to the rest of the world. This notion was the foundation for the day, as the students too are about to embark on a journey of discovery that they need to prepare for. Students gained new

skills and knowledge about tertiary study and employment to equip them for the chapter ahead. For Sam To'o, the highlight was sharing stories. "Even though the students I worked with were from different schools, we all had the same background, so I could easily relate to them. I learnt decision making and planning skills that will be useful throughout my life." Kingston Moimoi echoed his comments "As well as developing leadership skills, I enjoyed hearing other students' perspectives on their futures - I got new ideas and felt energised by hearing about what is possible."

NEW WORKSHOPS FOR JOB SEEKERS

The research on high school students holding part-time jobs shows the benefits include learning how to handle responsibility, manage time, communicate with different types of people and get a peek at the working world - as well as earning money! Many of our students would like a part time job and the Careers Centre is hosting lunchtime workshops to offer support. Senior students have been attending the sessions on a Tuesday and Wednesday lunch break to learn about how to find a job, write a CV, approach employers with confidence and interview well. Salote Maile appreciated the support "It is cool how my CV looks so professional. I've now got lots of ideas about where and how I can find a job so I can help out with costs."

All Year 11,12 or 13 students are welcome to email Mrs Shaw to register for the workshops.

NEW SCHOOL-WIDE EDUCATION PROGRAMME

'Navigating Your Career' is a new school wide Careers programme that has been created for our students. During academic mentoring sessions, students will learn how to research options for their future careers, explore some of the resources available to them, learn about what employers might be looking for and what the future world of work might be like. Students will also be supported to prepare a CV and develop confidence in interviewing. Each student's work will be collated digitally and follow them as they journey from Year 9 through till Year 13. Nisha Murugan in Year 13 commented "The programme is really helping me as I'm finding out about career ideas I hadn't considered before. I was thinking about law, but now I'm also researching human resources management as my main areas of interest are business, people and psychology."

KATTI DAY 2021

8 of our Year 13 Māori students, supported by Whaea Phinia Evans, represented OHS with pride and dignity at the Kei ā Tātou Te Ihi (KATTI) Day at Unitec's stunning Te Noho Kotahitanga Marae. KATTI is hosted by a collective of tertiary providers and inspirational speakers. Our students were equipped with tools and advice to navigate the next part of their journey into further study or employment. Maia Potini- Bowen commented that a valuable part of the day was the celebration of Maori culture and identity. "I enjoyed growing my ability to weave Maori culture and tradition into planning for my tertiary education. The KATTI programme gave me a sense of being welcome and knowing that regardless of the career path I choose to take, there will always be others to support me."

FIAFIA NIGHTS

The Samoan Polyfest group performed at a Fiafia night at Royal Oak Intermediate on 8th April. The large crowd of parents and supporters who came to watch were thrilled to see the high standard of songs and dance. The siva were graceful and expressive, mesmerising to watch and the fa'ataupati energetic and powerful. Students have worked very hard, giving up a lot of their own time to perfect their performances. The MC for the evening, Mr Sam Crichton,

did an excellent job introducing items and entertaining the crowd, as did the DJ on the night Ms Luse Lousi. The food sold to raise money for the group was delicious and a resounding success, completely selling out. A huge thank you to all those people who cooked for the night and to Ms Shelley Plowman, Ms Lena Aziz and Ms Laura Brennan for their sterling work in the kitchen. Security on the night was adeptly provided by Mr Sam Moli.

Congratulations to all of the students involved, who should be feeling very proud. A huge thank you to the teachers in charge, Ms Bex Muipu, Ms Janelle Tupai, Mr Safotu Filipo and Mr Jay Faata. Students will be performing at Polyfest on Saturday 17th April at 1.10pm. They would love to see you there. We wish them well. Manuia tele !

REDEVELOPMENT PROGRESS

SCIENCE

BEACH AUDIT -Taumanu Beach Litter Intelligence Survey and Audit

On Monday 31 March, students from our Enviro Club joined forces with students from Royal Oak Intermediate to complete a litter survey and beach audit at Taumanu Beach. Together we marked out a defined area on the beach and got to work picking up every piece of litter we could find. We then walked back up the hill to Onehunga High to complete the audit. This involved sorting, counting, weighing and entering 167 pieces of litter collected. Data was directly entered into the Litter Intelligence Database, making this a real citizen science project. Plastic was again the dominant category which has negative impacts for the marine life in our precious harbour. However, we were pleased the total number of litter items was down on the previous audit last November. You can view the data from this survey here: <https://litterintelligence.org/data/survey?id=837>

Schools in our Kāhui Ako (Community of Learning) work together to be kaitiaki of our two local beaches: Taumanu Beach and Māngere Boat Club Beach. Engaging in these activities helps build connections with students between schools, boosts student agency and wellbeing, provides an authentic context for student learning and of course helps protect our local environment.

YEAR 12 BIOLOGY - Goat Island / UoA Marine Discovery Centre

BUILDING AND CONSTRUCTION SCHOOL

The students have made a great start to the new house. The subfloor is complete and the frames are ready to go up. Keep watching for progress! We would like to say a very big thank you to the following companies:

[Tauris Leather Company](#) for the donation to each student of a leather builders apron.

[Cassidy Construction](#) for sponsoring each Building school student to participate in the Site Safe qualification.

[Paslode NZ](#) for donation of nail gun nails

[Pryda NZ](#) for the donation of timber fasteners

VISIT TO THE NEW GYM

The BAC and L3 EWD students have both visited the new Gym construction site. This gave the students an idea of what is involved in commercial construction. Students observed a number of trades on site, but more importantly they could see the same processes they have used in the house build being used on the Gym construction but to a much larger scale.

CATERING AND HOSPITALITY

On 29th March our L3 food and hospitality students catered the Onehunga-One Tree Hill Rotary club at the bi-annual Rotary evening held at the school, it was much enjoyed by all.

TERM 1 ROUNDUP

Welcome to Sport in 2021. I would firstly like to welcome all our Year 9 students and parents to Onehunga High School, hope you are all settling in well and are ready to represent the school in a variety of sport.

Unfortunately, we missed out on some sporting opportunities this term - our school swim sports and one-day tournament opportunities were cancelled due to covid, but we look forward to a full winter sport program.

Thanks to all the students who managed to get involved in sport this term 1, it has been a good summer and we have had some great results.

We have a busy program this year. As always, Term 1 is a very busy time for sport as we have our annual sporting events, summer sports and preparation for our big winter codes starting to wind up.

Athletics day was again at Mt Smart Stadium this year and what a great day it was. We had 700 students bus to Mt Smart and run through a traditional athletics program that had everyone involved and participating at a competitive level. All Year 9 and 10 students plus seniors set out to beat records, qualify for zones and try to be the overall Athletics champion in their age group.

Big congratulations to our premier boys' volleyball team who in 2021 competed in the Auckland premier league and finished 16th in NZ at Nationals Championships. A huge achievement and we are very proud of all the boys along with Mr Griffiths.

Also great to see our junior cricket boys carry on last year's successful season to win the T20 B grade competition. Some great signs as we build our cricket program. The boys are looking forward to competing in the A grade in term 4.

Looking ahead to the winter season I wish all our teams the best with preparations and look forward to a successful winter season.

Chad Coombes
Director of Sport

SPORTS DEPARTMENT

PREMIER GIRLS VOLLEYBALL TEAM

The premier girls' volleyball team has faced many challenges this season but this did not stop us from achieving what we did this season.. An improved result in the zone finishing second in the central division. The team competed hard at Auckland champs as well as Nationals (NZSS). Both teams were very lucky to have been coached by Mr Griffiths. The support we received from families, the school and the community is greatly appreciated.

Daisy Fuavao and Lovely Tupou 13LU

GIRLS CRICKET

This year saw the emergence of the OHS girls' cricket team after a few years of absence. The girls showed great spirit and became even more excited to learn and develop their skills for the games ahead. The first few games saw a massive improvement for the students and everyone contributed to the games in some way. Thank you to the girls for your contribution to the team and your energy and improvement over this term. Thank you to Aleki Dawber for your coaching, without your help this team would not have got off the ground.

JETS 2021

The Junior Emerging Talent Squads (JETS) is into its second year. These squads have been put in place to develop our Year 9 and 10 sports students for future success. The squads have been selected through a trial process and it has been great to see over 80 students across the squads training hard through this term.

The focus sports for 2021 and the coaches are:

- Basketball Mr McKay
- Football Mr Coombes & Mr Saunders
- Netball Ms Tupai
- Rugby Mr Frear & Mr Crichton

The main focus for these students is skill development to progress in their desired sport, to lift the standards of sport and bridge the transition from junior sport to our premier teams.

SPORTS COSTS 2021:

Every student at Onehunga High School has the opportunity to get involved in one or more of the many sports offered. These include summer and winter sports, and both individual and team sports. Sport can help students develop skills such as leadership, discipline, teamwork and commitment. Participation in each sport has a \$40 cost. The only exceptions to this are Badminton and Hockey, which are \$80 per sport due to the higher cost of entry fees.

HELP REQUIRED – Coaches and Managers

Onehunga High School is always interested in parents and caregivers helping out with sport in all sorts of capacities. If you are interested in coaching or managing a sports team please get in contact with Chad Coombes on 0272462448 or ccoombes@ohs.school.nz

SPORTS COUNCIL

The purpose of the Student Leadership structure is to represent our student body and give all areas of the school a voice, as well as an opportunity for leadership. The leaders of each council are our prefects. Staff including a member of SLT are aligned with each council and support each council.

Sports Council for 2021 has an exciting bunch of students from across the school. The students involved are:

- Olivia Bush
- Dana Gasic
- Hinemoa Nathan
- Sadie Woodward

This year the sports council will run the following competitions, events and initiatives:

- Year 9 & 10 Class Competitions
- Staff vs Year 13 Students
- Premier vs Premier teams
- Fitness & Weights Sessions
- Breakfast Club
- Assembly Presentations
- Bring your Bike to school day
- Supporters Crew
- Free play lunch times

ATHLETICS DAY

Covid interrupted some of Term 1 and so it was with great relief that neither that, nor the forecasted inclement weather, prevented students from being transported to Mt Smart Stadium for Athletics Day. Congratulations to those students who did their very best on the day, being involved and committed, showing loyalty and courage. Twenty-six students qualified for the Central Zone competition. At the Central Zone Athletics competition, Denayla Tavui 10Az placed third in the Junior Girls' Shot Put and Josias Manukeu 12So placed third in the Intermediate Boys' Shot Put and fourth in the Discus. OHS Athletics Results 2021 can be found on our facebook page <https://www.facebook.com/OHSSport/>

JETS GOLF DAY:

JETS Golf Fundraiser - Please email Chad Coombes for further information about playing or sponsorship

Registration:	11.30am
Tee Off Time:	12.30pm
Event Address:	Maungakiekie Golf Club, 5 Anita Ave, Mount Roskill, Auckland 10415
Contact:	Chad Coombes - 0272462448

OHS GIRL'S 1st XV - Black Fern Experience

The OHS Girls 1st XV Rugby team went to meet Black Ferns players last week and came away feeling both inspired and grateful for the opportunity. They began by taking a 45 minute tour of the building that houses the All Blacks and Black Ferns, where they learnt what it takes to make and shape an All Black. Rugby has long been seen as the national sport of New Zealand and its players are often seen as heros. The girls were able to follow the history of the game by viewing a large format film playing on the walls

of the building. Students could imagine themselves as Black Ferns as they followed in the footsteps of players as they moved from the changing rooms and formed two lines to emerge from the tunnel and take to the field. "It was empowering for women,"commented Jatima Uluave an OHS 1st XV player, "they showed a pathway for women to make a career in sport and talked to us about balancing Rugby and learning." The Black Ferns spoke to the

students about team building, the challenges and disappointments they face and how they manage these. They talked of how incredible it felt to pull on that Black Fern jersey and represent your country. The girls came away inspired by this amazing opportunity. Grateful thanks to Mr Chad Coombes for making this trip possible and to Ms Bex Muipu their wonderful coach who accompanied them on the trip.

MASSEY EXCHANGE 2021

For many years now OHS and Massey High School sports teams have competed for the annual Pre-Season Trophy. This year Massey High School hosted the exchange. It was a hard exchange to prepare for as the short lockdown limited preparation time but all OHS teams represented the school with pride and LAC. Congratulations to everyone who participated, especially those students from both schools recognised for the positive contribution they made to the day. The 2021 Exchange Winner was Massey High School, with 5 Wins. OHS this year had to be satisfied with 3 Wins and a Draw. Well done to all our teams, we look forward to a positive winter season.

TEAM	RESULT
NETBALL PREMIER	29- 26 to MHS
VOLLEYBALL SNR BOYS	2-0 to OHS
VOLLEYBALL SNR GIRLS	2-0 to MHS
BASKETBALL PREMIER BOYS	90-63 to MHS
